THE BUILT-IN RANGE

THE BUILT-IN RANGE - BURFORD 4

34" 4 BURNER BUILT-IN GAS GRILL

The built-in range comprises of three premium BBQ heads, complemented by a variety of built-in drawers, doors, bins and side burners to match. When planning and designing an outdoor kitchen, quality is key and Whistler know it! This range is manufactured from 304 stainless steel throughout, demonstrating our products are built to last - a very important factor when it comes to outdoor kitchens. Whistler's built-in range really is the total bespoke kitchen package!

The Burford built-in BBQ's are offered in three different sizes to suit all outdoor spaces, and are premium in every aspect. Built from low maintenance 304 stainless steel throughout, these heads will form the centrepiece of your bespoke outdoor kitchen for years to come. We are so confident in the build quality of this range that we offer a limited lifetime warranty on all three models. A top of the range yet affordable solution to bespoke kitchens.
