

FREESTANDING RANGE

THE CIRENCESTER RANGE - CIRENCESTER 6

The impressive 430 stainless steel Cirencester 6 grill can be bought as stand-alone BBQ's, or as the centre piece of the Cirencester Outdoor Modular Kitchen (see Cirencester Modular Range). These grills are made up of high-quality components, yet sit within an affordable price bracket.

This monster of a barbecue is the biggest within the Whistler range. This grill has everything you need to host the ultimate outdoor gathering, from it's extremely versatile multi-grill interchangeable options, ability to cook different items at once, to its generous storage space below! The Cirencester 6 offers amazing value for money and also coming fully assembled.
