WHISTLER GRILLS

FREESTANDING RANGE

## WHISTLER STOW

28" 4 BURNER GAS GRILL

The Whistler Stow has been added to the range to sit perfectly beneath its more expensive Bibury sisters. It is packed with high quality features, but sells at a much lower price. There has been no compromise in build quality and it is the perfect BBQ for a family who are working to a budget.

304 Stainless Steel.

72,000 Total BTU's of cooking power via 4 premium stainless steel Tube burners.

LED control panel and halogen cooking surface lights.

Electronic pulse ignition.

Propane push lift regulator, with hose and clips.

Infrared rear burner.

Dimensions (MM): Width: 1435 With side tables Depth: 627.8 Height: 1220.5 Cooking area: 660.4 x 482.6mm
